

SEVEN SEAS MOTORS AUTUMN 2024 COLLECTION

**I KNOW YOU'RE BUSY, BUT IT MIGHT BE AN
IDEA TO READ THIS BIT.**

I will be in Japan for much of the time these bikes are in transit so the wonderful Sharon in the office will take care of your enquiries. Please be patient if she is not able to answer all your questions immediately. We will get back to you.

Please note, the prices listed are for the bikes themselves, with all import duty paid. For the on the road price, you need to add £165 for any bikes more than 10 years old. For bikes 10 years or newer, you need to add £300 as they require an MSVA (Motorcycle Single Vehicle Approval.)

Due to the large number of bikes in this container, there will be only one image of each bike in this brochure. We have more and can send them on request. (As always, fresh photos and videos will be done when they arrive.)

Enjoy! Mark
